

Oh La La Magazine and Sports Almanac Dust Jacket

Saturday, 27 January 2007

Just as Marty is about to get the Sports Almanac from Biff, it is confiscated by Mr. Strickland. He returns to his office for a brief break from the dance and while there Marty makes another attempt to retrieve the almanac. After Mr. Strickland leaves the office, Marty gets the discarded "almanac" from the trash. To his surprise he finds only the dust jacket from the almanac and inside is a copy of the risqué Oh La La "girly" magazine.

This prop is made to look like an actual pinup magazine from the 1950's. It has pages inside complete with pictures. Sorry, I'm not allowed to show most of the pictures!

Tom Wilson has signed the inside cover!
