

Comments from Tom Wilson Caught on Tape

Tuesday, 30 January 2007

I've had the pleasure of meeting Tom Wilson (Biff) at a few conventions in which BTF.com participated as well as the Comedy and Magic club in Hermosa Beach and his art exhibit at Nickelodeon Studios. He is a very energetic and funny guy and you never know what he is going to say. At one show which featured a large prop exhibit, I ask Tom what he thought about seeing so many props from his movie. Hear and see what he has to say about my prop collection by clicking the Read More button. . .

Unfortunately I have asked Tom most of these questions before I ever heard this song. I wonder what he was thinking? I will have to say the he answered most of them with a smile!The Daughter Song (Tom Wilson Stand-up Comedy)
